

## Justice in Action -- Virtual Legal Clinic for YOUTH

*Our Justice in Action Projects are pro bono efforts to continue the thinking and dialogue from the Children's Rights Summit. Baker McKenzie will partner with in-house attorneys looking to engage in any Justice in Action projects.*

**What?** Young people across the Bay Area have too few opportunities to engage with lawyers and many legal needs go unmet. Working with the Bill Wilson Center, we run a monthly legal clinic to help the young clients with legal needs.

**How?** Done entirely by video conference, the Virtual Legal Clinic allows attorneys to work from their desk to connect with young people at Bill Wilson Center looking for legal guidance and advice. Training and expert guidance for all attorneys -- no experience necessary, just a desire to help!

**When?** Clinics and Trainings/Orientations occur monthly. All dates sent out to our Clinic distribution list.
